PURPOSE

It is the purpose of this Agreement to promote harmonious relationships between the City of New Haven and its employees in order that more efficient and progressive public service shall be rendered to the citizens of New Haven.

ARTICLE I - Recognition

Section 1

The City hereby recognizes Local 884, Council 4, American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the Union, as representing all classified employees, and those who have been employed in the classified service for a period of ninety (90) working days, except school custodians, school maintenance employees, police, firemen, supervisory, professional, seasonal and temporary employees employed by the City of New Haven.

It is understood that this Agreement is negotiated under, and where applicable, shall be governed by the Municipal Employees Relations Act of the State of Connecticut.

Section 3

It is further understood that the right of an employee or employees to present his or their own requests or to adjust his or their own grievances shall not be limited or impaired by this Agreement if it does not conflict with the provisions of this Agreement and that the Union is notified at once of the settlement reached.

Section 4

(A) The parties to this Agreement hereby stipulate and agree that the bargaining unit as set forth in Section I of this Article shall be the only recognized unit, except that the professional classifications of Senior Sanitarians, Public Health Nurses, Sanitarians I and II, and Social Investigator are included in the Unit.

ARTICLE 4 - Union Security and Check-Off

Section 1

All new employees shall serve a probationary period of ninety (90) working days. Such employees shall be considered at-will employees for the probationary period and shall not be eligible for health benefits, personal days or sick days until satisfactorily completing their probationary period. Once the employee has

satisfactorily completed his/her probationary period, the accrual of sick leave and vacation time shall be determined by the employee's original date of hire.

Section 2

All employees subject to the provisions of this Agreement who are either current members of the Union in good standing or as specified in Article 1, Recognition become members during the term of this Agreement shall maintain their membership in good standing as a condition of employment.

Section 3

All employees hired on or after the effective date of the Agreement and any employee who, on the effective date of the Agreement, is not a member of the Union shall within 30 days of hiring or 30 days execution of this Agreement either be required to become a member of the Union or pay a monthly service fee established by the Union as a condition of continued employment. However, in no event shall the monthly service fee be greater than the amount of monthly dues charged to Union members.

Section 4

During the life of this Agreement any employee who is now a member of the Union shall have the option to continue paying Union dues or in lieu thereof may shift to payment of the agency fee as described in this Article.

Section 5

The City agrees to deduct a one time initiation fee for new hires, monthly Union dues or the monthly agency fee in lieu thereof from the pay of employees who give written authorization to the City for such deductions and to transmit dues collected to the authorized Union Officer designated in writing to the Controller of the City of New Haven by the President and Treasurer of the Union.

Section 6

Deductions will be made once per payroll period. If an employee does not have Union dues or the agency fee deducted from his/her pay for that month due to their being on vacation, extended sick leave, leave of absence or any other reason, the City shall make a double deduction each month thereafter until the employee becomes current.

Section 7

When an employee does not have sufficient money due him after deductions have been made for pension, social security, garnishments and any other deductions authorized by the Employer or required by law, Union dues or service fee for that month will be collected by the Union directly from the employee.

Section 8

The City shall notify the Union within 30 days of any new employee hired in any Department.

Section 9

The Union shall notify the City of New Haven's Labor Relations Director in writing of any employee who is not in compliance with the terms of this Article and the City shall take appropriate action within a reasonable length of time but in no event more than 30 days from receipt of written notifications by the Union.

Section 10

The Union agrees to save the City harmless from any action growing out of this Article and commenced by any employee against the City, and assumes full responsibility for the disposition of the funds so deducted once they have been turned over to the authorized responsible Union Official.

ARTICLE 5 - Seniority

Section 1

Seniority is defined as the total length of continuous service with the City of New Haven except for the purpose of determining which employees shall be laid off pursuant to the procedures set forth in this Article. For the purpose of determining who shall be laid off, seniority is defined as the total length of continuous service as an employee in any Local 884 classified position in the General Fund of the City of New Haven.

Section 2

The Civil Service Rules and Regulations as set forth in the December 11, 1962 Booklet of the same title, reprinted on September 14, 1976 in accordance with 1975 Charter Revision, are hereby incorporated as an integral part of this Agreement, except where such Rules and Regulations are not subject to any aspect of collective bargaining as set forth in the Municipal Employee Relations Act of the State of Connecticut.

Section 3

For the purpose of this Agreement, when the term full time permanent employee is used, it shall mean an employee who has successfully completed his probationary period and has been permanently appointed to a position in the classified service by the appointing authority, subject to the provisions of the Civil Service Rules and Regulations.

Section 4

When a vacancy occurs in any of the shifts, the Department Head, in the Department where the vacancy occurs, will offer the opening to the employees within the same classification in his own Department, awarding the shift to the interested employee with the most seniority. If a permanent new shift is added in Traffic and Parking calling for some employees to work Monday through Friday and other employees to work Tuesday through Saturday, then shift selection shall be by seniority.

Senior employees shall not be denied preference for vacancies within departmental classification for malicious reasons.

Section 5

In the event that a vacancy occurs in a bargaining unit classification or a new position is created within the bargaining unit, such jobs shall be posted in all City Departments for five (5) working days provided there is no Civil Service List already existing and established in accordance with the Civil Service Rules and Regulations.

No temporary employees shall be allowed to remain in positions once a Civil Service List has been certified for the position. No exceptions shall be allowed.

Section 6

(A) Whenever it becomes necessary to reduce the number of employees in a given class because of lack of work or lack of funds, the employee(s) with the least seniority within each class within the total classified service shall be removed first.

(B) The reduction in the classification of budgeted positions shall be made in the following order:

1. Seasonal or part time
2. Temporary
3. Probationary
4. Permanent

(C) If a permanent employee with less than five (5) years seniority is to be laid off, his name will automatically be placed on a re-employment list in order of seniority by classification.

(D) If a permanent employee with five (5) years or more seniority is to be laid off from one classification within the bargaining unit, by reason of seniority, he will be placed in the same or another classification within the bargaining unit, to which he has been previously certified and permanently appointed, under Civil Service Rules and Regulations, providing he has more seniority than the employee with the least seniority in that classification.

(E) If a permanent employee with five (5) years or more seniority is removed from his classification by reason of seniority and he/she has not been previously certified and permanently appointed to another classification, he/she will be placed in a lower classification within the bargaining unit, to a position he/she is capable of performing immediately without training, provided he has more seniority than the person with the least seniority in that classification. Representatives of the City and Union will meet to determine to which job, if any, such placement will be. Such employee will be required to take the appropriate Civil Service Examination in order to become certified to his new position.

(F) An employee may select a layoff rather than accept placement under (D) and (E) above.

(G) An employee placed under (D) or (E) above will be placed in the same range and step as was the person he displaces.

(H) All employees laid off shall have their names placed on a re-employment list in order of seniority. There shall be a re-employment list for each classification in which layoffs are made. An individual's name shall remain on the re-employment list for two (2) years or until re-employed, whichever occurs first.

(I) After a layoff has occurred, the following procedure shall be followed in filling vacancies:

1. The City shall first restore to such vacancy, by seniority, an employee on the active payroll who was removed from the position by the cutback.

2. If the job cannot be filled under (1) above, the City shall offer the position to an individual on the pre-employment list with the most seniority who had been previously certified to the position to be filled.

3. If the position is not filled under the provisions of (1) or (2) above, the City will fill the vacancy under the provisions of the Civil Service Rules and Regulations.

4. Employees on a layoff status shall continue to accumulate seniority for two (2) years from the effective date of the layoff. The time spent on layoff shall not be deemed to interrupt the continuity of employment for employees recalled within said two year period. Any employee not recalled to work during this period shall lose all seniority rights and shall be treated as a new employee for all purposes.

5. Any employee recalled from layoff status shall be placed in the same range and step he/she occupied at the time of the layoff.

(J) Two (2) refusals by an employee to return to a position under (I) 1 and 2 above will result in his name being removed from the Civil Service Re-Employment List.

Section 7

The City shall provide the Union on or about January 1 and July 1 of each year an updated list of all bargaining unit employees which shall include the employee's address on file with the City and the date of hire.

With respect to new employees, the Union will be notified within thirty (30) days of an individual's hire, the employee's name, address, title, position number, department, salary and date of hire.

Section 8

In the event of a loss of a grant or a reduction in funds whereby the City has to reduce personnel funded by special funds or grants or ETA administrative money, those employees holding positions that were cut from the grant shall be laid off unless they are qualified to fill another position in the project. Such employees shall have recall rights for a period of two (2) years.

Section 9

Changes in job duties and responsibilities, including those necessary to comply with the Americans with Disabilities Act, that significantly impact on wages, hours, or conditions of employment shall be negotiated in accordance with the M.E.R.A.

Section 10

Employees shall not be eligible for health benefits, personal days or sick days until satisfactorily completing their probationary period. Once the employee has satisfactorily completed their probationary period, the accrual of sick leave, vacation time and personal dates shall be determined by the employees original date of hire.

Section 11

The City of New Haven agrees that any Local 884 member who is transferred or promoted to any position included in Locals 713, 3429, 287 or 3144 shall be able to carry over all unused sick leave and vacation pay and further agree that his time in Local 884 shall be credited towards vacation and longevity.

Section 12

Officers of the local shall have super seniority in cases of layoff. Officers are defined as President, Vice-President, Secretary, Treasurer and Executive Members.

ARTICLE 6 - Vacations

Section 1

The purpose of vacations is to permit a period of rest and recreation for each employee. This purpose is best served if the vacation period is taken at one time.

Section 2

All full time employees regularly scheduled to work twelve (12) months during each fiscal year shall receive ten (10) working days paid vacation after having worked and completed one (1) full year of continuous service for the City of New Haven.

All full time employees regularly scheduled to work twelve (12) months during each fiscal year and who have worked and completed five (5) years or more of continuous service shall receive fifteen (15) working days paid vacation.

All full time employees regularly scheduled to work twelve (12) months during each fiscal year and who have worked and completed twenty (20) working years or more of continuous service shall receive twenty-five (25) working days vacation.

Section 3

Annual vacation allowance may not be accumulated from one year to another, i.e., it must be taken within the year it is earned.

Employees shall be allowed to carry over vacations, however, no employee shall be permitted to have more than forty (40) days vacation to his/her credit at any time. Should an employee retire or resign they would only be paid for a maximum of six weeks (30 days).

In the event that any employee accrues more than 40 days vacation to his/her credit, should such employee retire said employee's total vacation usage for the year shall not exceed 40 days. i.e. should an employee decide to sell the maximum number of days (30) said employee shall only be entitled to utilize 10 days vacation during the year.

Section 4

Holidays which fall within the vacation period shall not be counted as vacation days, but shall be holidays.

Section 5

The time for taking vacations shall be approved by the Department Head. Vacations are scheduled on a first-come, first-served basis. In situations where more than one individual request the same dates at the same time, seniority shall prevail in setting up vacations. Vacations may be taken at any time during the calendar year in accordance with the provisions of this Section. Whenever possible, vacation request should be submitted at least one month in advance to allow management to schedule coverage.

1. Vacation selections shall be made in the unit that employees work in according to the following schedule:

Branches & Circulation	2* employees on vacation
Adult Services	1 employee on vacation
Children's Services	1 employee on vacation
Maintenance	1 employee on vacation

Section 6

The vacation pay for an eligible employee shall be based upon his regular annual salary reduced to and paid as the employee's regular weekly earnings.

Section 7

ARTICLE 7 - Hours Of Work

Section 1

The regular work week for employees in the unit shall be Monday through Friday, inclusive, seven (7) hours each day, thirty five (35) hours each week, 9:00 a.m. to 5:00 p.m., except those employees and departments who are currently working different hours which hours shall be maintained and except as otherwise shown in Section 6 of this Article.

Section 3

In times of emergency as determined by the Department Head, all full time employees are subject to assignment to any additional duties as required.

Any full time employee who is qualified and fails to report to duty when called during an emergency shall be subject to appropriate disciplinary action. Allowance may be made for special conditions such as sickness in failing to report for work.

Section 4

If City Hall and/or other agencies are open and various departments of the City are functioning, employees who do not report to work or who do not report to work within a reasonable hour because of snow, ice or other storms, shall be charged with loss of pay for that day. For purposes of this section, a reasonable hour for public health nurses shall be one (1) hour prior to the announced delayed start time for students.

ARTICLE 13 - Grievance Procedure

Section 1

It is understood by the parties that the intent of having a grievance procedure is to allow the Department to function in an orderly fashion, and as such it is expected that all orders shall be followed by all employees. Should a dispute arise, the employee is expected to carry out his assignment without delay and file his grievance in accordance with the procedure outlined in this Article. Failure on the part of an employee to carry out a direct order of a supervisor will be considered insubordination for which appropriate disciplinary action will be taken.

The Employer and the Union desire that all employees in the unit be treated fairly and equitably. It is intended that this grievance procedure will provide a means of resolving grievances at the lowest level possible, and nothing in this Article should be interpreted as discouraging an employee and/or his representative from discussing any dissatisfaction, in an informal manner, with his immediate supervisor, higher level supervision, or Department of Labor Relations representatives. Such discussions will not interfere with the right of any employee to process grievances through the grievance procedure, providing the Union is promptly notified of such grievance as it is being processed.

Section 2

Step 1(A):

An employee with a grievance should first discuss the matter with his immediate supervisor. In this discussion, the persons involved shall make an earnest effort to resolve the matter. The Supervisor shall make whatever additional investigation is necessary and shall give his answer as soon as practicable, but within three (3) working days. It is agreed that most grievances should be settled at this Step.

Step 2(B):

If the Union is not satisfied with the answer at Step 1 it shall then reduce the grievance to writing, either on a form mutually agreed to by the parties or in a letter. Such grievance must contain the following information: (1) A statement indicating his decision to process his grievance through the negotiated grievance procedure; (2) A statement presenting the nature of the grievance; (3) A statement outlining the relief sought; and (4) Specific reference to the clause or clauses of the Agreement which the grievant feels have been violated. The Union shall submit the written grievance to the Department Head, who, in turn, shall submit to the Union a written answer to the grievance within five (5) working days of the answer at Step 1 (A).

Step 3(C):

If the decision at Step 2 is not satisfactory to the Union, it may appeal, in writing to the Director of Labor Relations within ten (10) working days after receiving the decision at Step 2. Upon receipt of such an appeal, the Director or his designated representative will investigate the grievance and make an effort to resolve it to the satisfaction of all parties. Prior to denying any grievance at this Step, the Union shall be afforded the right to meet and discuss the grievance with the Director or his representative. The decision of the Director or his representative will be made as soon as practicable, but not later than ten (10) working days after receipt of appeal from Step 2.

Section 3

Any grievance which is not taken up with the employee's immediate Supervisor within thirty (30) working days after the occurrence of the matter, out of which the grievance arises, shall not be presented or considered at a later date. The employee agrees that extenuating circumstances may arise where an employee will not have knowledge, within the time limits prescribed, of the matter which resulted in his becoming aggrieved and, in such instances the Employer will give due regard and consideration to the time limits set forth above.

Extensions to all time limits mentioned in this Article may be made by mutual agreement of the parties in writing. Any grievance not answered within the time limits may be taken immediately to the next step of the grievance procedure.

Section 4

At Steps 2 and 3 of this procedure, the Employer and the Union shall be permitted to call a reasonable number of relevant witnesses, normally not more than two (2) from each party at Step 2 and three (3) from each party at Step 3.

Section 5

When several employees within the unit have an identical grievance, the Union will select one individual case for processing with the understanding that the decision on the case will be applied to the other identical cases. Such grievances shall be known as a Unit Grievance.

Section 6

An employee's grievance will be considered settled upon his written request, or when the complainant ceases to be a regular employee of the City, by resignation or when the time limit to appeal to the next Step expires, unless the grievance is directly related to the employee's termination and he desires it to be processed, or unless the Union considers the grievance to reflect on or affect other employees in the bargaining unit.

Section 7

Grievances will be heard at times most practical to do so. Should such times occur during periods other than normal working hours, the City shall accept no financial obligation for such time spent by the grievant and/or other Union representatives.

Section 8

The Union agrees that it shall cooperate with the City by making every effort to handle grievances in such a manner so as to cause a minimum of interference with normal operations of a Department.

Section 9

It is recognized by both parties that on occasions a grievance may develop, the immediate disposition of which would be in the best interests of both parties (i.e. discharge or suspension). In such instances, the

responsible Union official may contact the Labor Relations Director directly to acquaint him with the situation. At that time a determination shall be made as to what procedure is to be followed.

ARTICLE 14 - Arbitration

Section 1

In order to be considered, a petition by the Union for arbitration shall be received by the Director of Labor Relations or his representative within ten (10) working days from the date of decision at Step 3 of the grievance procedure. Grievances not appealed within this time shall be considered as settled.

Section 2

Petition for arbitration shall be in writing and contain the following items: (1) Signed approval to arbitrate by the Union, (2) The Section(s) believed violated; (3) The relief sought; and, (4) A statement of the issue involved. In order that both parties may be fully prepared should a case go to arbitration, it is agreed that neither party may amend the Article(s) and/or Section(s) believed violated after receipt by the Director of Labor Relations of the petition for arbitration.

Section 3

The Arbitrator or arbitrators shall be the Connecticut State Board of Mediation and Arbitration, except as otherwise agreed upon by both parties to this Agreement.

Section 4

The arbitration fee and expenses shall be borne equally by the parties to this Agreement. The Employer and the Union shall also share equally the expenses of any and all mutually agreed upon services considered desirable or necessary in connection with the proceedings

Section 5

The arbitrator(s) designated in accordance with Section 3 of this Article shall conduct a hearing at which the facts and arguments relating to the dispute shall be heard. The arbitrator(s) jurisdiction to make an award shall be limited by the submission and confined to the interpretation or application of the provisions of this Agreement. The arbitrator shall not have jurisdiction to make an award which has the effect of amending, altering, enlarging or ignoring the provisions of the Agreement in effect at the time of the occurrence of the grievance being arbitrated, nor shall the arbitrator have jurisdiction to determine that the parties by implication have amended or supplemented the Agreement, unless the parties shall expressly submit to him the issue as to whether such an Agreement by implication was made. The arbitrator(s) shall confine the award to a decision that the City or the Union has or has not violated a specific provision of this Agreement, and if such an award is in the affirmative, the award shall specify the remedy.

Section 6

The written award of the arbitrator made in accordance with the above arbitration procedure shall be final and binding on the parties to this Agreement, subject only to court appeal of the decision.

Section 7

For the purpose of this Agreement, an employee's annual salary shall be the step and amount shown in Schedule A through Schedule D.

For the purpose of this Agreement, an employee's regular weekly earnings shall be that portion of his regular annual salary which he receives each week. An employee's regular hourly rate shall be that portion of

his regular weekly earnings reduced to an hourly rate determined by the number of hours in his normal weekly and/or daily work schedule.

In determining an employee's rate of pay for any monetary benefit under this Agreement, the basis to be used in such determination shall be the employee's regular annual, weekly, or hourly rate, whichever is appropriate in determining such benefit.

In no event shall any additional moneys received as a result of any other provisions of this Agreement be considered as a portion of any employee's regular annual, weekly, or hourly rate. The single and sole criterion for making a determination of any employee's annual, weekly, or hourly rate shall be the salary being paid in accordance with Schedule A through Schedule E.

Section 8

Where more than one premium or overtime rate is applicable, the highest of such rates shall apply. There shall be no pyramiding of premium and/or overtime rates. For example, if a person were to work overtime on a second shift where a shift differential normally is paid, the employee would be paid at the overtime rate only, and such overtime rate would not include a shift differential, but would be based solely on the employee's regular hourly rate.

Section 9

In the event a bargaining unit employee is promoted, his new salary shall be arrived at by following the principle of a promotional increase being equal to at least a Step increase in the employee's Range prior to promotion, but in no event shall such increase exceed a two Step increase in the employee's Range prior to promotion.

ARTICLE 38 - Savings Clause

Section 1

ARTICLE 39 – Substance Abuse Policy

Section 1: Purposes

The purposes of this policy are as follows:

- A. To establish and maintain a safe, healthy working environment for all employees and to protect the public;
- B. To insure the reputation of the City of New Haven employees as good, responsible citizens worthy of public trust;
- C. To demonstrate a clear expectation and understanding that a drug test shall be considered a condition of entry/application to the employ of the City and in reasonable suspicion scenarios as defined herein;
- D. To reduce the incidents of accidental injury to person or property;
- E. To reduce absenteeism, tardiness and indifferent job performance; and

- F. To provide assistance toward rehabilitation for any employee who seeks help in overcoming any addiction to, dependence upon, or problem with alcohol or drugs.

Section 2: Definitions

- A. Alcohol or Alcoholic Beverages – means the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohol, including methyl and isopropyl alcohol
- B. Drug – means any substance (other than alcohol) capable of altering the mood, perception, pain level or judgment of the individual consuming it.
- C. Prescribed Drug – means any substance prescribed for the individual consuming it by a licensed medical practitioner.
- D. Illegal Drug – means any drug or controlled substance, the sale possession or consumption of which is illegal.
- E. Ranking Supervisor – means any supervisory employee who is the employee’s immediate supervisor in the chain of command, or the Department Head or his/her designee.

- H. Refusal to Submit to Reasonable Suspicion Drug Testing – The refusal by an employee to submit to a drug or alcohol screening test based on reasonable suspicion will result in the employee’s immediate suspension without pay and subsequent disciplinary action, which may include dismissal from the City.

Section 3: Testing Based Upon Reasonable Suspicion

- A. Purpose: This section is intended to specify the methods to be used by the City when an employee’s conduct, behavior, demeanor or statements have created reasonable suspicion that he or she has engaged in “substance abuse.” Substance abuse is defined for purposes of this section as the ingestion of an illegal drug or the abuse of alcohol or of a legally prescribed drug.
- B. Voluntary Disclosure and Employee Assistance:
 - 1. An employee who has completed his or her initial probationary period with the City and has engaged in substance abuse and voluntarily discloses this issue to his/her Department Head and requests treatment and rehabilitative assistance shall be given assistance under the City’s Employee Assistance Program. Access of this type shall be limited to two occasions, provided that he or she has not previously failed to comply with the requirements of the program during a prior enrollment. An employee referred to the

program shall not be disciplined for the substance abuse disclosed. However, failure to comply with the terms of this program shall subject the employee to discipline.

2. Any employee who returns to employment following completion of a program under the Employee Assistance Program shall be subject to follow-up testing as determined by the EAP provider.

C. Basis for Testing: The testing authorized under this policy shall be preceded by a determination by a supervisor that the conduct, behavior, demeanor or statements of the employee have given that supervisor “reasonable suspicion” that the employee has engaged in substance abuse.

D. Preservation of Rights: This policy does not constitute a waiver of the rights of members of the bargaining unit regarding drug testing protection provided by United States or Connecticut Constitution or statutes.

E. Preliminary Determination of Reasonable Suspicion of Substance Abuse:

1. An order to undergo a test pursuant to this agreement shall be based on preliminary and final determinations of reasonable suspicion of substance abuse by designated supervisors. A supervisor shall base his or her preliminary determination on facts regarding the conduct, behavior, demeanor and statements of the employee observed by that supervisor or reliably and speedily reported to him or her. This preliminary determination shall be followed by a final determination by a second supervisor who must confirm the preliminary determination in order for testing to be ordered.
2. Designated supervisors shall be the Department Head, Deputy Department Head and any supervisor acting in the capacity of the Department Head or Deputy Department Head. The City shall provide training for such designated supervisors, but the lack of such training of a particular supervisor shall not prevent his or her determination of reasonable suspicion of substance abuse, unless the lack of training is shown to have undermined the reliability of the determination.

F. Order to Undergo Test:

1. When a designated supervisor makes a determination based on reasonable suspicion and that determination is confirmed by a second supervisor, the employee shall be informed of this preliminary determination and shall be immediately relieved of duty. The employee shall be entitled to Weingarten representation rights by a bargaining unit representative.
2. Following the determination, the employee shall be directed to immediately report to the designated testing facility. It is expected that the test will be administered within two (2) hours following the determination.
3. The employee shall be entitled to Weingarten representation during the sample production process.

- G. Testing Procedures: The testing procedures shall be in accordance with those set forth in Appendix A. Test results shall not be used for disciplinary purposes unless they have been obtained in accordance with the procedures outlined in this section.
- H. Confidentiality: Records of the process used to order a test and test results shall be maintained along with other employee medical records, and shall be handled consistent with the policies respecting such records. In addition, an employee who elects participation in the Employee Assistance Program shall be required to authorize the release of these records to the personnel utilized in that program.
- I. What Constitutes a Refusal to Take a Test: The following actions may constitute a refusal to take a drug or alcohol test:
Blatant refusal to submit to the testing procedure or engaging in any conduct that clearly obstructs the testing process; including being unavailable for testing;
Failure to provide an adequate amount of breath for an alcohol breath test without a valid medical reason;
Failure to sign the alcohol testing form;
Failure to submit to a confirmation test for alcohol after a positive result;
Failure to endorse items to verify chain of custody for any specimen;
Failure to provide sufficient amount of urine for a drug test without a valid medical reason;
Failure to provide necessary identification before submitting to test;
Failure to remain available for such testing.
- J. Consequences of Refusal to Take a Test: The consequences for refusal to take a required drug or alcohol test are the same as if the employee had tested positive for drug or alcohol use, as listed in Section 10 of this Policy. In addition, the refusal shall constitute insubordination and the employee shall be subject to discipline.
- K. Cost of Required Tests: The City shall pay for the following tests:
Pre-employment drug testing;
Random testing;
Reasonable suspicion testing;
Return to duty drug testing; and
Follow up testing.

The employee shall be responsible to pay for the following tests:
Split analysis testing.

- L. Transportation: The City will provide transportation for the employee to the testing facility when the employee is being tested under reasonable suspicion procedures. The City shall provide transportation for an employee to the employee's home when the employee tests positive under these procedures.

Section 4: Random Testing

- A. Random testing pursuant to the City of New Haven's CDL Policy shall continue for all affected workers. The parties recognize that industry standards may change during the life of the CDL policy. Any such changes shall be negotiated pursuant to the requirements of MERA.
- B. Any expansion of random testing beyond the CDL Policy shall only be initiated pursuant to an amendment to this policy.

Section 5: Post-Accident Testing

As soon as practicable following an accident, each surviving employee will be tested for alcohol and controlled substances when (1) the accident involved a fatality or serious injury or (2) the employee received a citation for a moving traffic violation. An accident is defined as an incident involving a motor vehicle in which there is a fatality, an injury treated away from the scene or a vehicle required to be towed from the scene.

An employee who is subject to post-accident testing must remain available for such testing, or the City may consider the employee to have refused to submit to it.

The City should make every attempt to test an employee for alcohol within two hours and for drugs within 32 hours of an accident. If an alcohol test has not been given within 8 hours of the accident, or a drug test has not been given within 32 hours, the City must cease trying to administer such test and must prepare and maintain on file a record stating the reason why the appropriate test was not promptly administered.

The requirements of this section should not be construed to require the delay of necessary medical attention for injured people following an accident or to prohibit an employee from leaving the scene of an accident for the length of time necessary to obtain necessary emergency medical care or to obtain any other assistance necessary at the accident site. However, employees must remain available for testing and shall not consume alcohol or drugs until the post-accident test has been performed.

Section 6: Return to Duty Testing

If an employee has engaged in prohibited conduct regarding alcohol and/or drug misuse, the employee must undergo a return to duty test prior to returning to the job. The test must indicate a breath alcohol concentration of less than 0.02 or a verified negative result for drug use. When an employee engages in prohibited conduct, the City must advise the employee of the resources available to evaluate and resolve drug and/or alcohol problems through the EAP program. In addition, each employee who engages in prohibited conduct must be evaluated by a substance abuse professional (SAP) who shall determine what assistance, if any, the employee needs in resolving drug and/or alcohol problems.

On a first offense for a positive alcohol test, if the SAP determines that the employee requires assistance in handling an alcohol problem, the employee must properly follow the prescribed rehabilitation program. If the rehabilitation program requires time off, said time off will be granted with or without pay for up to sixteen weeks without a loss of seniority or benefit eligibility. During the period of rehabilitation the employee may elect to use any accrued vacation or sick time. Any paid time off (vacation or sick time) used in accordance with this provision shall be subtracted from the sixteen-week entitlement referred to herein.

On a first offense for a positive drug test, if the SAP determines that the employee requires assistance in handling a drug problem, the employee must properly follow the prescribed rehabilitation program. If the rehabilitation program requires time off, said time off will be granted with or without pay for up to sixteen weeks without a loss of seniority or benefit eligibility. During the period of rehabilitation the employee may elect to use any accrued vacation or sick time. Any paid time off (vacation or sick time) used in accordance with this provision shall be subtracted from the sixteen-week entitlement referred to herein.

When an employee has properly followed the prescribed rehabilitation, the employee must then be reevaluated by the substance abuse professional. If the SAP determines that the employee has properly followed the rehabilitation program, then the employee must undergo a return to duty test with a negative result as prescribed herein before being allowed to return to the performance of his job. In the event the employee fails to comply with the prescribed rehabilitation or fails to pass a return to duty test he or she shall be subject to further discipline up to and including termination.

Section 7: Alcoholic Beverages

- A. No alcoholic beverages will be brought onto City premises, or consumed while on City premises, except in the performance of official duties. The Department will invoke appropriate disciplinary action for any violations.
- B. Drinking or being under the influence of alcoholic beverages while on duty is cause for discipline.

Section 8: Prescription Drugs

- A. No prescription drug shall be brought upon City premises by any employee other than the employee (or members of the employee's immediate family) for whom the drug is prescribed by a licensed medical practitioner, and shall be used only in the manner, combination and quantity prescribed.
- B. Where the employee has been informed that the use of a prescribed drug may pose a risk to the employee or others, the employee shall so advise his/her Department Head or Deputy Department Head.

Section 9: Illegal Drugs

- A. The use or possession of an illegal drug or controlled substance by an employee on duty is cause for suspension or termination, and/or referral for criminal prosecution.
- B. The sale, trade or delivery of illegal drugs or controlled substances by an employee on duty to another person is cause for suspension or termination, and/or referral for criminal prosecution.

Section 10: Procedures

The procedures of the City of New Haven in regard to an employee using, possessing or under the influence of alcohol, drugs or chemicals while on duty are as follows:

- A. An employee shall report to his place of assignment fit and able to perform his required duties and shall not by any improper act render himself unfit for duty.

STEP 1: Any Supervisor who has cause to suspect that an employee is under the influence of alcohol, drugs or chemicals shall immediately relieve said employee from duty with pay in order to protect said employee, fellow employees and the public from harm. Supervisors shall receive training by certified drug and alcohol experts on how to detect and process substance abuse cases.

STEP 2: The Supervisor shall immediately notify the Department Head, or in his absence, the ranking supervisor. Any employee being interviewed/tested may consult with and be accompanied by a representative of the Union. The Union representative may confer with and advise the employee before and after the testing process, but shall not participate in the process in any way except as an observer. The interview/testing process will not be unreasonably delayed simply because a Union representative is unable to be present.

STEP 3: The Department Head, or in his absence, the ranking supervisor shall interview the employee concerning alleged alcohol or controlled substance abuse. Such interview shall be conducted in order to document the reasons and observations of the interviewers and to ascertain from the employee any recent use of prescribed drugs or non-prescribed drugs, or any indirect exposure to drugs that may result in a positive test.

STEP 4: If the interviewers document cause, then the employee will be given the following option(s):

- a) The employee may resign or retire, if eligible, without penalty or prejudice.
- b) The employee can claim that he/she is not under the influence of alcohol or illegal drugs.
 1. If there is no criminal investigation pending, the employee can admit there is cause for reasonable suspicion of alleged alcohol or substance abuse, and shall, within 24 hours, enroll in an Employee Assistance program (EAP).

STEP 5: If the employee chooses paragraph (b) in Step 4, the test procedures set forth in Appendix A may be ordered by the Department Head or, in his absence, the ranking supervisor. A positive test shall result in the following discipline:

1. The first offense shall result in an immediate two (2) day suspension without pay.
2. Second or subsequent offenses shall be progressive in nature.

- B. The employee shall have the right and shall not be denied the right to the presence of a Union Representative during any part of these procedures.

APPENDIX A
TESTING PROCEDURES

What are the testing procedures for drugs?

All drug testing will be done from urine specimens collected under highly controlled conditions at the following location: St. Raphael’s Occupational Health & Rehabilitation Services at 789-3530. The person collecting the urine sample will be the same gender as the employee submitting the sample. The collection site will be secured to prevent any tampering or switching of samples. The City reserves the right to change and/or add providers.

When the employee has submitted a specimen, the collection person will determine whether there is a sufficient amount of urine for testing. If there is not enough, the employee may be asked to drink fluids and wait until the employee is able to provide a sufficient amount of urine to test. The urine collected from each employee will be divided into two different sample containers. This is known as a split specimen collection. The person collecting the specimen will divide the specimen into the two containers in the presence of the employee and will label both accordingly. The employee must ensure that the split samples are both accurately marked with the correct identification.

The primary sample is then tested for the presence of drugs, while the second or “split” sample is stored in a secured, refrigerated location. The initial test is the immunoassay test, which screens the sample for usage of the five (5) classes of drugs. The second test is a confirmation test. The labs that perform the tests must be certified by the Federal Department of Health & Human Services.

The testing program is limited to five (5) drug types: Marijuana, Cocaine, Opiates, Amphetamines, and Phencyclidine (PCP). The positive levels for the five (5) classes of drug tests are in the table below:

Drug	Initial Test Levels (ng/ml)*	Confirmation Test Levels (ng/ml)*
Marijuana	50	15
Cocaine	300	150
Opiates	2000	2000
Phencyclidine (PCP)	25	25
Amphetamines	1000	500

*ng/ml means nanograms per milliliter. A nanogram is one billionth of a gram. A milliliter is one thousandth of a liter.

If the results of the initial test are negative, the testing laboratory will so advise the Medical Review Officer (MRO). The MRO is a licensed physician not employed by the testing laboratory who interprets the drug test results. The MRO’s role includes making determinations that other factors besides drugs may be affecting a particular test result, and the MRO may conduct sessions with individual employees to learn more about their medical histories and other factors which might influence a test result.

If the results of the initial test exceed the test levels for any of the five (5) drug classes, a second (confirmation) test is performed. This test is done differently by using gas chromatography/mass spectrometry techniques. Only specimens that are confirmed positive on the second or confirmatory test are reported positive to the Medical Review Officer for review and analysis.

If the test result of the primary specimen is positive, you may request the Medical Review Officer to send the second (or split) specimen to a different certified lab for testing. If the result of the test of the split specimen is “negative”, the MRO shall cancel the test. If an employee wants the split specimen tested, he or she must advise the MRO within seventy two (72) hours of being notified of the positive test result of the primary specimen.

The City will keep a record in the employee’s file showing the type of test (pre-employment, periodic, etc.); date of collection; location of collection; entity performing the collection; name of the lab; name of the MRO; and the test results.

What are the testing procedures for alcohol?

Alcohol testing is done by testing breath, using a device called an Evidential Breath Testing Device (EBT). The EBT is a scientific instrument that determines the concentration of alcohol in the bloodstream by analyzing a specific amount of exhaled breath. The test result is a number representing the blood alcohol concentration (BAC), which is expressed in grams of alcohol per 210 liters of breath. The EBT prints out numbered copies of the test results. A BAC of 0.04 or greater indicates alcohol impairment. A BAC between 0.02 and 0.04 indicates likely alcohol impairment. A BAC less than 0.02 indicates no alcohol impairment.

People who have been trained and certified as breath alcohol technicians (BAT) will conduct the tests, check the EBT prior to testing to ensure its accuracy, and conduct the tests. Testing should be conducted in an area that allows the employees as much privacy as is feasible. The tester will remain present at all times during the testing procedure.

First, in the employee’s presence the BAT makes sure that the EBT is responding accurately. Then, a sealed mouthpiece is opened and placed into the device. The employee is required to blow into the mouthpiece for at least six seconds or until the EBT indicates that it has obtained a sufficient amount of air to test. The EBT will then print the test results, with a copy given to the employee.

If the initial test shows a reading less than 0.02 the test is recorded as “negative”. If the initial test results indicate a BAC of 0.02 or greater, a confirmation test will be conducted, after a fifteen (15) minute interval has passed to make sure that the sample was not tainted by recent use of food, tobacco, or other products. The confirmation test is done on the same EBT as the first test. If the two results are different, the confirmation test results are controlling. At this point, the breath alcohol test is completed; the employee must sign the testing form and be provided with a copy.

Substance abuse testing that currently exists under the Commercial Drivers License (CDL) Policy shall continue pursuant to the terms of the policy. In addition, the policy may be extended by the City to all

employees who operate City vehicles. In the event the City decides to extend the policy to all drivers, it shall first notify the Union in writing of its intent and the date of the implementation.

The parties understand that the testing means and methods defined herein represent the current standard in the industry for such testing. As such, any testing defined in any City policies that are not consistent with the means and methods defined herein shall be considered updated to conform with this policy. The parties recognize that industry standards may change during the life of this policy. Any such changes shall be negotiated pursuant to the requirements of MERA. The parties agree to review the means and methods defined herein at reasonable intervals and to update such methods when required. The goal of the parties shall be to promote the most efficient, effective and accurate methods available.

Computation of the average rate for use in determining benefits under this Article shall be based on such member's basic rate of pay except that total earnings including overtime, if greater, will be used for any year when such member's contributions were based on such larger amount.

Section 3 - Provision For Refund Of Contributions Or Deferred Pensions For Members Withdrawing From Service; Provision For Refund Of Contributions Upon Death Of Member with No Qualified Survivors; Recovery From Disability

Withdrawal of contributions of a member shall not be permitted except in the event of discontinuance of employment. In the event of such discontinuance, the Retirement Board shall pay, upon request, to the member or to his representative, designated or otherwise, an amount equal to his total contributions to the Retirement Fund. Even if no such request is made, in the event of such discontinuance before the member has earned ten (10) or more years of Credited Service, the Retirement Board, in its sole discretion, may pay to the member, or to his representative, designated or otherwise, an amount equal to his total contributions to the Retirement Fund.

In the event of such discontinuance after ten (10) or more years of Credited Service, and provided he does not qualify for greater benefits under the provisions of Section 6, any terminating member who does not request a refund of his contributions will be retained as a conditional member and will be eligible for a deferred pension commencing when he attains age sixty five (65) or upon such earlier date as may be elected by the member pursuant to section 6(g). Such deferred pension shall be for an amount determined as two percent (2%) of the conditional member's average rate of pay averaged over those five (5) years of service producing the highest average, for each year of Credited Service, subject to a maximum of seventy percent (70%) of such average rate of pay and reduced as provided in Section 6(g), if applicable. Such conditional member and his survivors will not be eligible for any disability, survivorship or other benefits which are provided for non-conditional members by other Sections of this Article. Any changes in the benefits and/or eligibility requirements for such benefits prescribed in this paragraph which are adopted after a conditional member has discontinued his employment with the City shall not apply to such conditional member.

In the event of a member's or a conditional member's death, the Retirement Board shall pay to his beneficiary, or to his estate if no named beneficiary is surviving, an amount equal to the excess, if any, of his total contributions over the total of any annuity payments made to him.

In the event that a member is survived by a widow, widower or child or children under age eighteen (18), the Retirement Board, shall in lieu of such repayment of contributions, pay the survivorship benefits provided in Section 8 of this division. If the total benefit payments to such member and his surviving widow or widower and children shall be less than the amount of his total contributions, the amount of any excess shall be paid to the legal representative of the last survivor who received benefits.

A member whose disability benefits are terminated by reason of the member's recovery shall be entitled to the benefit of this Section, without regard to the amount of his Credited Service. Notwithstanding anything in this Section to the contrary the Retirement Board shall not have the authority to pay any such member the amount of his total contributions to the Retirement Fund except upon such member's request.

(1) The member, within six (6) months of his return to the City's service, requests a reinstatement of his Prior Credited Service, if any;

(2) The members Prior Credited Service calculated as of the date of the latest refund exceeds the number of full and fractional years (calculated on a daily basis) falling between the date the member last separated from the City's service and the date first following such separation on which the member contributed to the fund pursuant to Section 2;

(3) The member repays the latest refund together with three (3%) percent interest compounded annually; and

Such member shall be required to submit himself, to any medical examination requested by the Retirement Board. If the Retirement Board, upon competent medical evidence, concludes that the disability for which the member is receiving an annuity no longer exists, such Board shall thereupon order a discontinuance of all such annuities payable to such member, effective on the date which is ninety (90) days after the Board concludes that the disability no longer exists. In the event that payments are made pursuant to this Section to surviving children under eighteen years of age who are represented by more than one legal guardian, such payments shall be apportioned among such guardians in proportion to the number of children represented by each guardian, respectively.

(B) "Average Annual Pay" as used in computing survivorship benefits shall mean the average annual rate of pay received by the deceased member averaged over those five (5) years of service producing the highest average, or the duration of such service if less than five (5) years, subject to

a maximum of sixteen thousand and eight hundred dollars (\$16,800.00) for such average annual pay.

(C) Upon the death of a member who has completed ten (10) years of Credited Service for the City or who has qualified for a disability annuity or a retirement benefit by reason of age and service, a minimum monthly benefit will be paid to his qualified survivors if greater than the amount determined from the benefit table above. Said minimum monthly benefit shall be equal to fifty percent (50%) of the amount of the monthly annuity to which the member would have been entitled if he had been permanently disabled on the date of his death, or fifty percent (50%) of the amount of his actual monthly annuity in the case of a member who has been receiving retirement or disability benefits from the Fund.

(D) In order to qualify for benefits under this Section a widow or widower must have been married to the deceased member at the time of his death and if such member had been retired due to age and service or disability must have been married to him at the time of retirement. Proof of dates of birth of the children must be submitted before payments of benefits under this Section.

(E) These benefits in Section 8 shall no longer apply should such widow or widower remarry. In such cases he shall receive only such benefits as are payable to his children alone.

(F) Effective July 1, 1986, any employee who dies while still employed, the widow benefit shall be calculated by treating said deceased employee as if they retired on the date of death and then giving the widow or widower 50% of what the pension would have been.

Section 9 - Requirements For Participation

(A) Any person who becomes an eligible employee of the City shall be required to participate in the Retirement Fund; provided no person who becomes an eligible employee on or after his sixtieth (60) birthday may participate in the Retirement Fund.

(B) Each eligible employee shall upon entering service submit to such medical examinations as the Retirement Board shall by regulation or by law provide in order to determine whether the eligible employee is then permanently disabled from performing duties of the nature required by his job and for use by the Retirement Board in evaluating future claims for disability. In the event any such employee refuses to submit to any such medical examination he shall bear the burden of proving by clear and convincing evidence that he is entitled to a disability benefit.

(C) An open period of six (6) months starting July 1, 1987 is hereby established during which any eligible employee, who had not previously enrolled as a member, may make written application for membership. Such application should specify that his membership is to be effective either from the date of his application without payment of back contributions, or from the date on which his service commenced. On the latter basis he must agree to pay all back contributions which would have been required for his prior services with three percent (3%) compound interest, the amount of which will be determined or estimated by the Retirement Board whose decision shall be final. Such payment must be made in a lump sum or in equal monthly installments of at least ten dollars (\$10.00) over a period not exceeding thirty six (36) months. Such admission to membership will entail the discontinuance of any Social Security coverage on the member's subsequent earnings. Further, any retirement or disability annuity to which he

becomes entitled in accordance with Section 6 will be subject to reduction by a Social Security adjustment in case he has elected retroactive membership on his prior service. This adjustment will be applied where the City has paid F.I.C.A. taxes for Social Security coverage on his prior earnings and will equal fifty percent (50%) of a proportion of the Social Security primary benefit available to him on date of his retirement. Such proportion shall be determined as the percentage which the total F.I.C.A. taxes paid on his earnings from the City bears to the total F.I.C.A. taxes paid on his earnings from all sources since January 1, 1938. Employees who had previously worked for CETA in City jobs without a break in service and/or Special Funds without a break in service or for Redevelopment (who were previously offered a chance to have such redevelopment time credited as pension time) shall specifically be included in this Section and be given the opportunity to buy back said periods of service.

(D) This open period subject to the provisions and requirements of paragraph (C) will also be available to any member who wishes to establish credit for any period of non-participating prior service which preceded the effective date of his membership, provided such prior period was of at least twelve months' duration.

(E) The provisions of paragraphs (C) and (D) for establishing retroactive membership credits will expire at the end of the open period on December 31, 1987.

Section 10 - Benefits For Periods Of Military Service

In determining benefits under Sections 6 and 7 credit shall be given for periods of military service in World War II, the Korean War or the Vietnam War subject to the following conditions: Any member who, after October 16, 1940, entered any branch of the armed forces of the United States or any service auxiliary thereto, or any civil emergency defense employment pursuant to requisition by the Federal or State Government, or any member who shall enter such services while the United States is at war, and who has been or shall be re-employed by the City within six (6) months after the termination of such military service, shall qualify for credit for his period of military service, provided he resumes his participation in the Retirement Fund, with an effective date antedating his entry into such service.

Section 11 - Preservation Of Benefits Paid Under Previous Acts

The provisions of this Article shall not affect the benefits already in course of payment in accordance with the provisions of previous acts.

Section 12 - Future Cost-Of-Living Adjustments

Annually on each July 1, the monthly payments on those service annuities, disability annuities and survivors' benefits on which at least eighteen (18) monthly payments have been made will be increased, or decreased, for changes in the cost-of-living as indicated by the Federal Consumer Price Index, Urban Wage Earners and Clerical Workers, All Cities, Revised (1967-100). For this purpose the Retirement Board will determine and adjustment percentage for each July 1, by relating such index for the full calendar year prior to such July 1 to that for the next preceding full calendar year, but such

adjustment percentage shall be limited to a maximum of one hundred three percent (103%) and to a minimum of ninety-seven percent (97%); further, no adjustment will be made where increase or decrease for the year is less than one-quarter (1/4) of one percent. However, the monthly benefit originally provided for a retired member or for a survivor shall never be reduced because of the accumulative effect of all cost-of-living adjustments.

Section 13 - Sick Leave Buy Back

The sick leave buy back provision fully described below shall permit up to one hundred and twenty (120) days of accumulated sick leave to be exchanged for no more than four (4) years of credited service (thirty [30] sick leave days shall equal one [1] year of credited service) under the following guidelines:

- 1) The number of sick leave days exchanged must have a value of at least one (1) year of service.
- 2) No more than thirty (30) employees (exclusive of the WPCA employees who may utilize the separate sick leave buy back provision contained in the Subcontracting Article of this Agreement) may elect this buy back opportunity; with the proviso that upon such election, the employee must retire no later than December 31, 2006. Should more than thirty (30) employees make this election, the most senior employees who provide a written notice of their intent to buy back sick leave shall be eligible to retire under this provision until the maximum is reached.
- 3) There shall be a “window” period commencing on or about the time of implementation of this Agreement, as defined by the Department of Finance, during which employees may elect to retire under this provision. Should the number of thirty (30) employees not be reached during this first window period, a second window period shall be offered for this purpose. Upon the close of the second window period, no additional election to retire under this provision shall be allowed.
- 4) By exchanging their accumulated sick leave, employees may not receive more credited service than the maximum amount of credited service allowable under the Pension Plan.
- 5) Tax Liability: The determination of the purchased years of additional pension service credit will be predicated upon the corresponding gross cash equivalence of the accrued leave time utilized. The appropriate Federal and State withholding taxes will be deducted from the respective employee’s gross cash equivalence and will be considered the employee’s cost for purchase of these additional pension years of credited service. The employee’s annual W2 wage statement will reflect the gross cash equivalence of all accrued leave days of service as taxable compensation. The appropriate Federal and State Tax liabilities on the gross cash equivalence will be reported as taxes paid.
